January 25–February 3, 2008

These Guys and Dolls are worth a visit! Biedel's Sarah and Townsend's Sky are well matched visually and vocally, and they can act.

- Jean Lowerison, G&L Times

The 32 member cast seemed to give it their all. The production boasts fine singers and actors in the leads and some electric dancing by the large, talented ensemble.

- Frankie Moran, sandiego.com

Troy Magino's hard-edged choreography in all three production numbers came the closest to stopping the show with enthusiastic audience reaction. The dancers are good and their execution all top notch!

- Rob Appel - SD Theatre Scene
